

Sidewalks are prevalent through the majority of Arlington. This map shows approximately 134 miles of sidewalks, on Public Ways, inventoried in a field study in 2014 by VHB. Distribution of sidewalks townwide coincides with the most densely populated areas in town and the business areas. Sidewalk data collected by VHB, 2014.

Information on this map is from the Arlington Geographic Information System (GIS) database and is intended for planning purposes only.
